

## TRUCK INSURANCE

Avalon provides a full array of products to cover the unique exposures of the trucking industry. We work with our clients to protect their business through proper risk management. Avalon provides a complete review of your insurance coverage, vehicle schedules and drivers, licensing and filing requirements, as well as loss prevention practices. We offer the following surety and insurance solutions for truckers:

### PHYSICAL DAMAGE

Provides specified perils coverage for physical damage and theft to scheduled vehicles.

### TRUCKER'S LIABILITY

Liability coverage for commercial vehicles that haul goods for others, including coverage for death, bodily injury and medical expenses.

### GENERAL LIABILITY

Covers your legal liability for bodily injury, and property damage to others.

### MOTOR TRUCK CARGO (MTC)

Coverage for physical loss or damage to property of others while in transit, including covered legal costs.

### TERMINAL COVERAGE

Extends coverage for loss or damage to property of others at scheduled terminals.

### SPECIALIZED BONDS
